PRICE LIST UPDATE – NOVEMBER 2022

Dear Partner,

thank you for your cooperation and commitment in promoting our products & solutions. With this communication, we would like to update you with our latest Price List – November 2022 - including all upcoming news from our product portfolio.

The download of the current price list is available for your use in PDF and XLS; those documents are updated each time new pricing is released and, to identify the revision, you'll find the price lists release number on the cover front of the pdf.

Don't hesitate to let your sales reference know if you have any feedback or questions.

Best Regards,

Eelectron SpA
